

Go Long

Every football fan understands it. But to a processor using a **Texas Shaker® Precision Screener**, it means reliability, rugged built-to-last construction, higher screening efficiency and performance that lasts a long time – some **Texas Shakers** have been operating continuously for over 30 years. Gives “Go Long” a whole new meaning. Call **1.800.527.2116** or visit **www.sssdynamics.com** today.

8'x10' 9-deck TEXAS SHAKER (720 ft² screening area total), removing oversize and fines out of standard potash at 600 mtph.

*When reliability and performance matter,
the Texas Shaker Precision Screener is your MVP.*

Triple/S Dynamics, Inc.
